**Full Time Structural Investigations – Concrete Technician**

An opportunity has arisen for a Technician to join our expanding structures department based at the Kiwa CMT office in Derby. The department carries out inspection, sampling and testing of reinforced concrete structures, diamond drilling and barrier testing at sport stadia.

Kiwa are a world top 20 leader in Testing, Inspection and Certification (TIC) and employs over 4,300 people in more than 100 offices in over 40 countries across the world, mainly in Europe, Asia and Latin America.

Job Role will include:

- Structural inspection, testing and sampling of reinforced concrete structures
- Inspection & testing of barriers at sports stadia
- Diamond drilling of core samples
- Providing accurate test results for appropriate reporting
- All necessary additional training will be provided
- Personal health and safety within provided risk assessment parameters
- Care of vehicles and company equipment when in use

The qualities required for the position include:

- Good basic education with a minimum of 5 GCSEs grades A to C (or equivalent).
- Be physically fit as walking & manual handling is a day-to-day part of the role
- A technical background/experience would be preferred but is not essential
- Be willing to travel UK-wide
- Full driving licence essential
- Be able to work under pressure and as part of a team.

Experience in this field of work would be an advantage but not essential.

The starting salary for this role is £20-25K dependent on experience plus overtime. Additionally, we offer a company bonus scheme, attractive company pension scheme and holidays that increase with length of service.

The standard hours of work for this role are 38.75 hours per week. Overtime will be required and paid outside of your standard working hours. Some working away from home will be required Monday to Friday. The suitable candidate will also need to occasionally work antisocial hours.

If you’re interested and meet the criteria above, please send CV and cover letter to [uk.hr@kiwa.com](mailto:uk.hr@kiwa.com).
