

Regulatory Alert - Brazil

Public Consultation No. 33 – proposed changes to Resolution 242/2000, Type Approval Regulations for Telecommunication equipment

On 28th November 2017, ANATEL published Public Consultation No. 33, for proposed changes to the Type Approval Regulations for Telecommunication equipment – Resolution 242/2000. The public consultation will end on 25th February 2018.

The proposed changes are as follows:

- Category III products (Non-RF network equipment) – the CoC will be valid for a period of 5 years.
- Market Surveillance will be carried out by ANATEL. PCS have been advised that this will apply to consumer products only.
- For renewals, the OCD must only accept samples collected from the production line or available in the Brazilian market.
- Additional fee for any alterations/renewals of existing certificates (R\$ 200.00 / approx. \$60 USD)

Any interested parties can submit any comments, opinions or suggestions using the ANATEL details below:
