

Regulatory Update

Lebanon – New Type Approval Scheme has been postponed

Following the update earlier this month, the Telecommunications Regulatory Authority (TRA) has confirmed that the new Type Approval Regulation has been postponed until further notification due to the latest decision of the Minister of Telecommunication (MoT).

For the time being, MoT will remain to be the Type Approval Regulatory Authority in Lebanon and the old regime operated by the MoT remains valid.

We will keep you informed about any further updates.
