Regulatory Alert

Azerbaijan – delays expected due to reforms at telecommunications Authority of Azerbaijan.

PCS has been informed that on 15 January 2016 a new Minister of Communications and High Technologies Authority in Azerbaijan has been appointed, which will elicit significant reorganisation at the Authority.

The new appointment of the minister and reorganisation followed dismissal of the previous minister as a result of an unexpected audit conducted by anticorruption department.

As a result, it has been advised that there will be significant delays in the Type Approval review time in Azerbaijan, as well as issuance of certificates.

PCS will continue to monitor developments at the Authority very closely to be able to expedite the process where possible.
