E.V. = Every visit

### Instructions for the assessor:

1. This form is **for internal use** and is required for each year and for each company.
2. After each assessment the column for that assessment has to be completed.
3. After the last assessment in that year the completed form is to be sent to the relevant product manager.

NOTE: BRL-K552 requires a large number of tests to be repeated at intervals varying from 1 to 3 years. Accordingly, in order not to lose track of the tests already carried out the BRL-K552 testing summary has to be completed after each assessment.
