- Water temperature of maximum 65°C.

MARKING

The Kiwa®-mark products are marked with the word mark "KIWA".

Place of the mark: on the body

Compulsory specifications:

- Name or mark of manufacturer, on the body;
- Indication for temperature selection, on the handle;
- The acoustic group, if classified, on the body;
- The flow rate class, on the body.

Method of marking:

- Non-erasable;
- visible after assembly.

Single taps and mixer taps

RECOMMENDATIONS FOR CUSTOMERS

Check at the time of delivery whether:

- the supplier has delivered in accordance with the agreement;
- the mark and the marking method are correct;
- the products show no visible defects as a result of transport etc.

If you should reject a product on the basis of the above, please contact:

- Duravit AG

and, if necessary,

- Kiwa Nederland B.V.

Consult the supplier's processing guidelines for the proper storage and transport methods.
