Certification process
consists of initial and
regular assessment of:

- quality system
- product

Connecting valve

PRODUCT SPECIFICATION

The products mentioned below belong to this technical approval-with-product certificate

PA Water Connection, connecting valve, article nr. C20115-N-GY

Fitness for contact with drinking water

This product is approved on the basis of the requirements for hygienic aspects set in the "Regeling materialen en chemicaliën drink- en warm tapwatervoorziening" ("Materials and chemicals in the supply of drinking water and warm tap water Regulation" dated 01-07-2017; published in the Government Gazette).

These hygienic aspects are based on two main criteria. The product shall permanently comply with:

- The product recipe approved during the assessment procedure. This recipe is not to be changed without prior approval by Kiwa according to the Kiwa approval procedure for the hygienic aspects;
- Specific product requirements for the hygienic aspects.

The recipe and specific product requirements are laid down in the for confidentiality reasons undisclosed 'appendix hygienic aspects' to this certificate.

MARKING

The Kiwa®-mark products are marked with the word mark "KIWA ", or the abbreviated word mark "KIWA , or KK in a rectangle 

Place of the mark:

- on body

Compulsory specifications:

- name or mark of the manufacturer "RM";
- nominal size DN10.

Method of marking:

- Non-erasable;
- visible after assembly.

APPLICATION AND USE

Connecting valves are intended to be used in drinking water installations with a maximum operating pressure of 1000 kPa and a water temperature of maximum 65°C. This connecting valve is intended for use in cold water applications (cisterns) with a maximum operating pressure of 500 kPa.

RECOMMENDATIONS FOR CUSTOMERS

Check at the time of delivery whether:

- the supplier has delivered in accordance with the agreement;
- the mark and the marking method are correct;
- the products show no visible defects as a result of transport etc.

If you should reject a product on the basis of the above, please contact:

- RMCOV Sanitary Ware Co., Ltd.

and, if necessary,

- Kiwa Nederland B.V.

Consult the supplier's processing guidelines for the proper storage and transport methods.
