Concealed flushing cisterns

STATEMENT BY KIWA

With this product certificate, issued in accordance with the Kiwa Regulations for Certification, Kiwa declares that legitimate confidence exists that the products supplied by

Ideal Standard International NV

as specified in this product certificate and marked with the Kiwa®-mark in the manner as indicated in this product certificate may, on delivery, be relied upon to comply with Kiwa evaluation guideline BRL-K620 "Flushing cisterns" dated 15-09-2019,

Which covers the requirements of

European Standard EN14055:2010 + A1: 2015 "WC and urinal flushing cisterns"

Ron Scheepers

Kiwa

Publication of this certificate is allowed.

Advice: consult www.kiwa.nl in order to ensure that this certificate is still valid.

Concealed flushing cisterns

MARKING

The Kiwa®-mark products are marked with the word mark "KIWA".

Place of the mark:

- on the cisterns: on the left side, right side or front or on the inside above water level;
- on the body of the float operated valve (inlet valve).

Compulsory specifications:

- name or mark of the manufacturer:
 - on the float valves: on the body;
 - on the cisterns: on the left side, right side or front or on the inside above water level;
- reference as specified in the European Standard EN14055.

Method of marking:

- indelible;
- visible after assembly (for concealed flushing cisterns, after demounting of the control panel).

APPLICATION AND USE

Flushing cisterns (in combination with WC pans) are intended for use as flushing units connected to drinking water installations with a water temperature of maximum 30°C. Flushing cisterns using a nominal flush volume of 6 litres are intended for use in connection with WC-pans of the type 6A, according to the evaluation guideline BRL-K619.

RECOMMENDATIONS FOR CUSTOMERS

Check at the time of delivery whether:

- the supplier has delivered in accordance with the agreement;
- the mark and the marking method are correct;
- the products show no visible defects as a result of transport etc.

If you should reject a product on the basis of the above, please contact:

- Ideal Standard International NV and, if necessary,

Kiwa Nederland B.V.

Consult the supplier's processing guidelines for the proper storage and transport methods.
