PP ribbed pipes for non-pressure underground sewerage **Dyka B.V.**

STATEMENT BY KIWA

This product certificate is based on Guideline/BRL 9208-2 "Pipes and fittings with structured wall for non-pressure underground drainage and sewerage - Part 2 - Type B: PP, PE" dated 30 August 2017, issued according to the Kiwa-Regulation for Certification.

The quality system and the product characteristics of this product are checked periodically. Based on this, **Kiwa declares that** there is legitimate confidence that:

Upon delivery, the product supplied by the certificate holder meets the requirements:

- Of the technical specifications laid down in this product certificate,
- The product requirements laid down both in this product certificate and in the Guideline/BRL. Provided the product / packaging / delivery documents is/are accompanied by the KOMO® quality mark in the manner set out in this product certificate.

MARKING

The products shall be marked with the KOMO®-mark.

The realization of the marks is as follows: clear, durable and indelible. Location of the marks: on every pipe at intervals of not more than 2 m.

The pipes shall be marked with at least the following marks:

KOMO word mark or logo

- certificate number;
- manufacturer's name or trade name;
- material designation;
- classification;
- nominal outside diameter in mm;
- production period or production code.

Marking with BRL 9208-2 is optional.

APPLICATION AND USE

The products are intended to be used in a plastic piping system for non-pressure underground drainage and sewerage. Take into account the following installation guidelines:

- NEN-EN 1610 "Construction and testing of drains and sewers";
- the processing guidelines of the producer.

PROCESSING GUIDELINES

The supplier shall provide processing instructions.

The instructions drawn up in the Dutch language shall contain specific information with regard to storage, transport and installation of the products.

TIPS FOR THE USER

Check at the time of delivery whether:

- the supplier has delivered in accordance with the agreement;
- the mark and the marking method are correct;
- the products show no visible defects as a result of transport etc.

if you should reject a delivery on the basis of the above, please contact:

Dyka B.V.

and, if necessary:

- Kiwa Nederland B.V.

For the proper storage, transport and processing consult the instructions of the certificate holder.
