

## Gas Installer Training

**Kiwa Training is an established provider of domestic, commercial, LPG gas installer training courses. We offer a full range of NICEIC Gas courses for those who want to install, maintain and service gas appliances in domestic properties. Refresher courses are also available.**

Our impressive training facilities in Cheltenham enable you to train on a range of appliances from different manufacturers, so that you are familiar with the various boilers, heaters and cookers that you'll come across in your day-to-day work. We also deliver [L-GAS](#) and [BOAS](#) courses.

Please note: it is a mandatory requirement for all Competent Persons Schemes that registrants working under any scheme operator such as NICEIC, renew their competencies every 5 years by law.

### **Why Kiwa?**

Kiwa has direct links with the Gas Industry. We work with Fortis Living to support candidates building their portfolio for the Managed Learning Program. Kiwa UK also works with large companies such as Bosch and directly with the government in developing the future of Energy.

“By joining Kiwa you can futureproof your investment by maintaining a place at the forefront of the Gas Industry.”
