8 Additional information

Please make sure that your order for remittance covers all bank charges. Therefore, please mark "OUR COSTS" on the transmission form. Please always indicate the invoice number as well as the customer number as reference in the transmission document.
All figures in any currency other than the Euro shall be calculated by applying the current exchange rate of the European Central bank.

In case of uncompleted certifications and registrations, we reserve the right to invoice the services already provided, in accordance with the current service fees.

Valid from 1st June 2025, subject to changes.
All above mentioned charges are excl. VAT.
