

WRAS Testing and Approval

Kiwa Watertec specialises in testing water products and components for WRAS approval.

WRAS approval is for manufacturers and distributors of sanitary and plumbing products and components intended for installation in the UK who require their products to be compliance with UK Water Regulation 4.

- England & Wales: the Water Supply (Water Fittings) Regulations 1999
- Scotland: the Water Supply (Water Fittings) (Scotland) Byelaws 2014
- Northern Ireland: the Water Supply (Water Fittings Regulations (Northern Ireland) 2009

Kiwa Watertec has developed an alternative scheme – KUKreg4.

Who is WRAS testing and approval for?

WRAS approval is for manufacturers and distributors of sanitary and plumbing products and components intended for installation in the UK who require their products to be compliance with UK Water Regulation 4.
